**Background/Supporting Information**

In April of this year, the Alliance to End Childhood Lead Poisoning announced a grant award of \$27,000.00 to the City of Minneapolis to develop and implement strategies designed to leverage federal lead paint disclosure requirements. The contract period is through May 31, 2004. No city funds will be used for these activities. We are requesting that the appropriate officials be authorized to accept this award and proceed with the project.
